**To: IFCC Full Member Societies' National Representatives
IFCC Affiliate Societies' Representatives**

Dear Colleagues,

The aim of the IFCC Accreditation Committee is to develop, maintain, and promote the IFCC PROCEED™ accreditation program for continuing education and professional development in laboratory medicine. The Committee ensures the quality and consistency of accredited educational activities, including congresses, workshops, webinars, online courses, and other learning initiatives. It also works to facilitate the international recognition and acceptance of continuing education credits, supporting lifelong learning, professional competence, and harmonization of educational standards among IFCC members worldwide.

I am inviting nomination for two Member positions for the term of office 2027-2029.

The candidates should have extensive experience in the area of work of the Committee.

For further information, please visit: <https://ifcc.org/executive-board-and-council/eb-committees/accreditation-committee/>

The Committee will work mainly by conference calls, electronic communication, congress sessions and networking activities.

Appointment for this position will be for one 3-year term of office, renewable for one additional term.

All National Society Members are requested to encourage an appropriate member to apply for this position.

Applicants who are not selected as members may be eligible for corresponding membership.

Nominations should be directly sent to Smeralda Skenderaj at the IFCC Office (smeralda.skenderaj@ifcc.org) **before 25th July, 2026.**

Yours sincerely

Prof. Tomris Ozben
IFCC President
