Ref: IFCC Awards Committee membership – call for nominations – Asia-Pacific Region

**To: National Representatives of the IFCC Members
Societies – Asia-Pacific Region**

Dear Colleagues,

The current Awards Committee Membership finishes its term of office at the end of 2026.

According to the IFCC policy, the Chair of the AC is the Past President, therefore I will begin the duty in January 2027 for a three-year term.

The AC Membership is comprised of 7 members, including the Chair and representatives from the six IFCC Regional Federations. At this respect, we are now seeking nominations by the IFCC Member Societies of the Asia-Pacific Region.

Nominations from any Asia-Pacific Region IFCC Member Societies can propose candidates who can duly represent the Asia-Pacific Region. The candidate must have full knowledge of IFCC, be a distinguished scientist (e.g. former Award winners) and not likely to be nominated for an Awards him/herself.

As anticipated, the time in office begins on January 1st, 2027, ending on December 31st, 2029, allowing a second three-year term following satisfactory review by the AC Chair and EB.

Thank you for forwarding your nominations along with the candidate's cv **by October 23rd, 2026** to the IFCC Office (colli-lanzi@ifcc.org).

Yours sincerely,

Prof. Tomris Ozben
IFCC President
